

# It Is Coming—

Education along pure food lines is fast opening the eyes of the people to the fact that coffee contains a drug—caffeine—that affects the heart, nervous system, and digestion.

The natural "hot" food  
drink for breakfast is

made of clean, hard wheat,  
with no drug of any kind.

## “There’s a Reason”

tain Barfoot gave him a small drink of whiskey, and then the ambulance was called to take the man to the City Home, where he was admitted.

The Italian had been employed in Bristol, Tenn. When work ceased he started for Richmond, evidently without any idea as to how far he would have to walk. He had only one meal, according to the story he relayed through an interpreter—that at Bristol when he began his weary march of 400 miles. At many places he asked alms, but met refusal on account of his disreputable appearance and his inability to use the English language.

# ONE JOHN GAVE UP

Nor Be Understood.

Justice Crutchfield gave it up yesterday. Try as he would he could get neither reads nor tails out of Walter Machize, a Russian, yet unacquainted with the King's English.

Finding that he could not make himself understood the foreigner simply smiled, but the others got hot under the collar. Machize is suspected of stealing \$85 from a man whose name is more unpronounceable still.

interpreters of every kind were brought into court, but without avail, and in despair Justice Crutchfield continued the case to February 29th, by which time it is hoped that another interpreter who will under-
